BUDGET MESSAGE 2009

PLAINFIELD MUNICIPAL UTILITIES AUTHORITY AUTHORITY BUDGET

FISCAL YEAR: FROM JANUARY 1, 2009 TO DECEMBER 31, 2009

1. Complete a brief statement of the 2009 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

When comparing the 2009 proposed budget to the 2008 adopted budget, the 2009 increase in operating appropriations was due to additional staffing requirements and related fringe benefits. The 2009 decrease in non-operating appropriations was due to decreases in Renewal & Replacement Reserves. The 2009 proposed budget also includes an appropriation for prior year anticipated operating deficit.

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any.

The proposed 2009 sewer budget will be able to provide sufficient revenues to fund operations and debt service requirements for the year ended December 31, 2009. The proposed sewer budget projects a \$145 quarterly service fee in 2009 for a single family residential user which reflects a 13.5% increase over the existing quarterly user rates in effect as of December 31, 2008.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

Plainfield is the Western most City in Union County. It is included in political districts with Somerset and Middlesex County communities. As a hub of the three counties there is a positive impact on the City. As one of the oldest communities in the State, Plainfield has 6 historic districts and one of the best turn-of-the-century housing stocks in America.

There are business challenges related to most old communities, but the vigor of Union County and the adjacent communities in Middlesex and Somerset Counties are economically supportive of this diverse City.

There will be no impact on the local economy as a result of the Annual or Capital Budgets herein presented. The Plainfield Municipal Authority has a mission to control costs and rates, and the budgets reflect these goals.

4. Describe the reasons for utilizing Unrestricted Net Assets in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc.

N/A

5. If the proposed Annual Budget contains an Accumulated Deficit either existing or anticipated, pursuant to N.J.S. 40A:5A-12, then an explanation as to reasons for occurrence must be disclosed.
